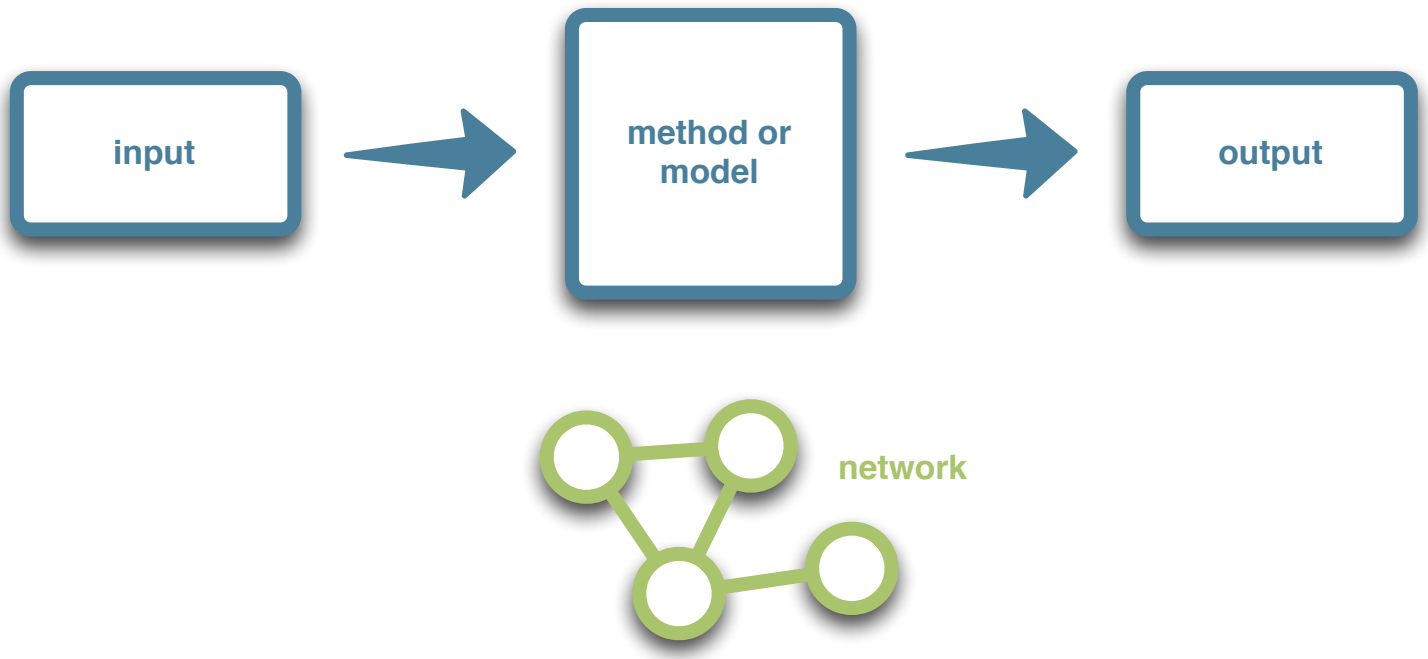
network *perspectives*

introduction to *network analysis* (*ina*)

Lovro Šubelj
University of Ljubljana
spring 2022/23

network analysis

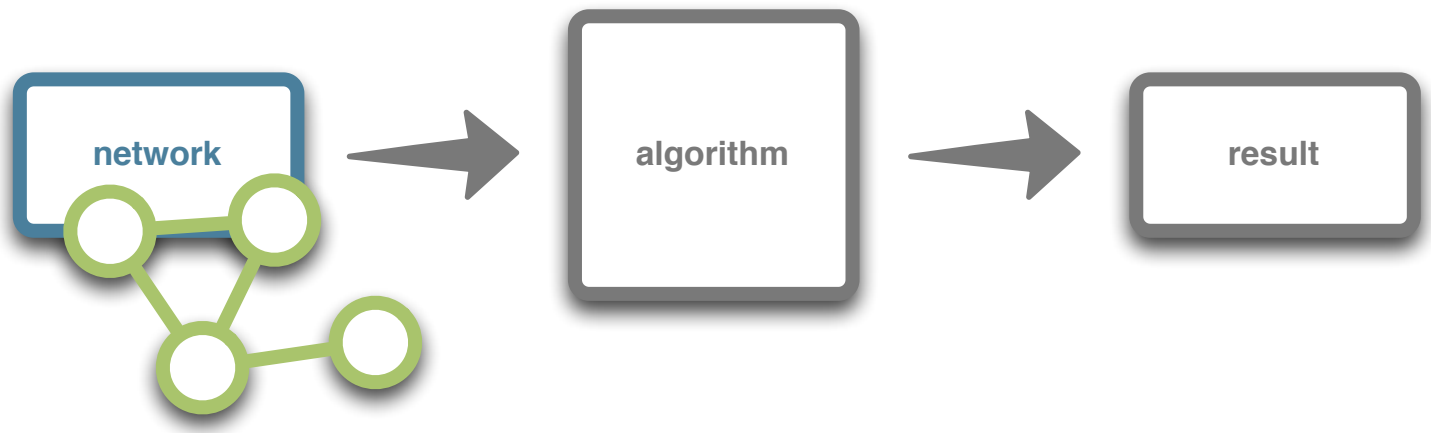
where is *network in analysis*?



network *as input*

computer science

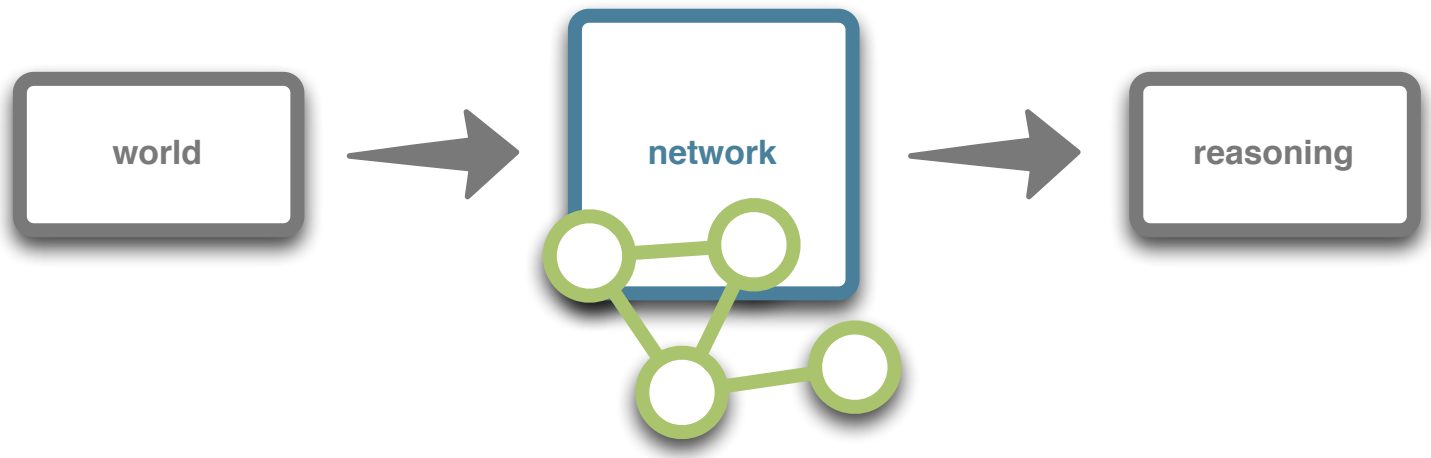
network is *input to analysis*



network *as model*

physics

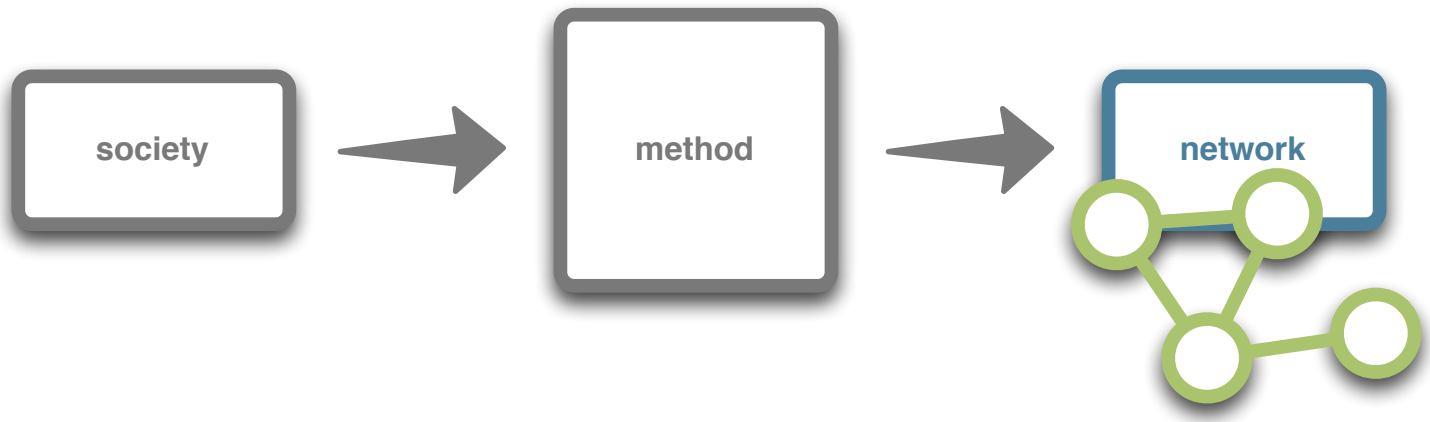
network is *model of analysis*



network *as output*

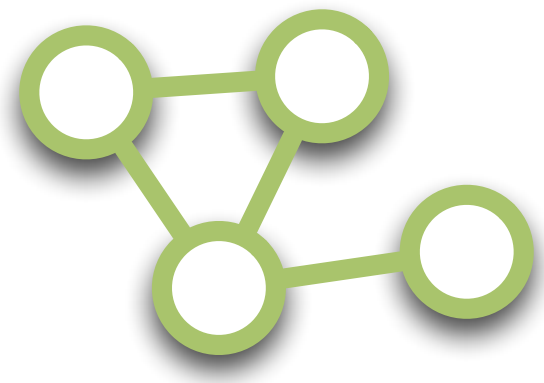
social sciences

network is *output of analysis*



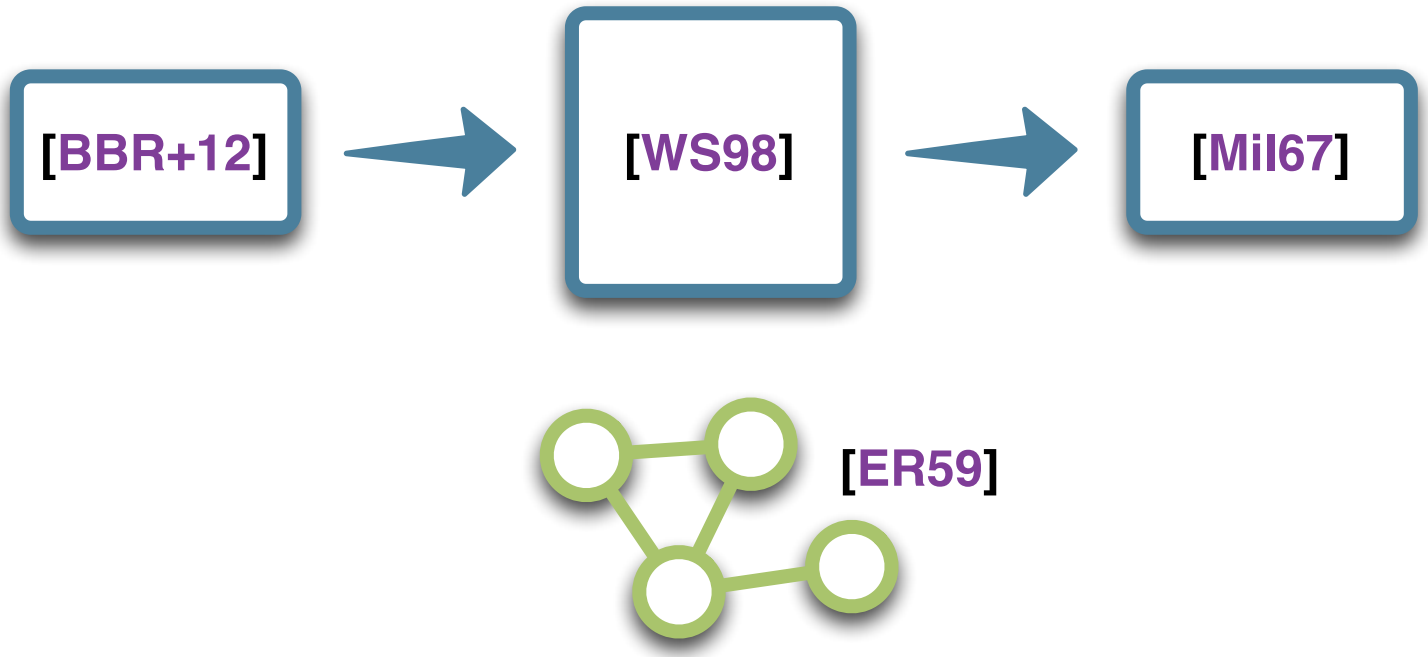
graph theory

network is graph



network science

collaboration among disciplines



perspectives *references*
