

network *perspectives*

introduction to *network analysis* (*ina*)

Lovro Šubelj
University of Ljubljana
spring 2020/21

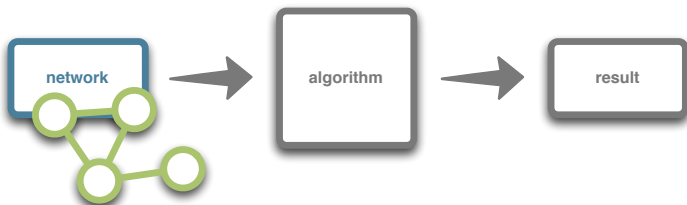

network analysis

where is *network in analysis*?

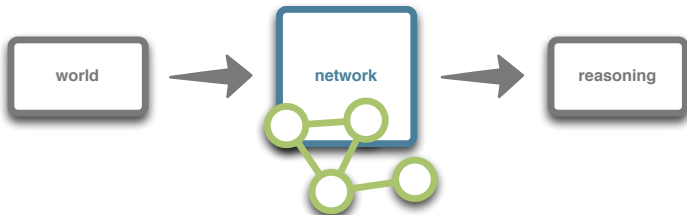

network *as input*

computer science
network is *input to analysis*

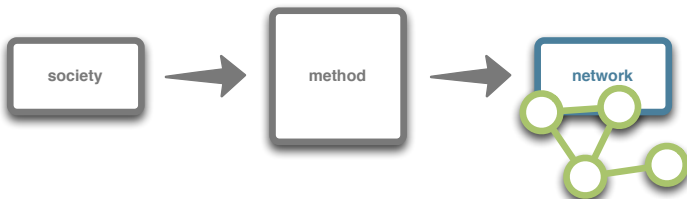

network *as model*

physics
network is *model of analysis*

network *as output*

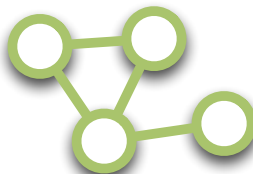

social sciences
network is *output of analysis*

network *as graph*

graph theory

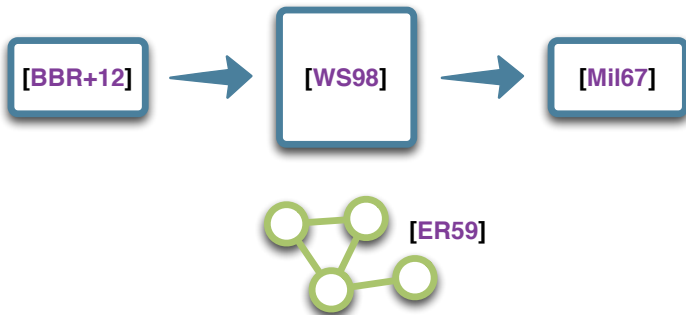

network is graph

network *science*

network science

collaboration among disciplines

A.-L. Barabási.

Network Science.

Cambridge University Press, Cambridge, 2016.

Wouter de Nooy, Andrej Mrvar, and Vladimir Batagelj.

Exploratory Social Network Analysis with Pajek: Expanded and Revised Second Edition.
